

## WORKSHOPS TAILORED TO YOUR GROUP'S NEEDS!

I am scheduling online mountain dulcimer workshops for 2024 and would love for your club to sponsor one. Sponsorship does not mean you pay out any club money. It means you get to set the date and time with me, choose the topic, and have priority registration. Workshops will be limited to 25 people and will last approximately 2 hours with a short break in the middle. For the real “eager beavers,” I will stick around a little longer just to talk, answer questions, perform, or whatever. I also offer discounts in my online store for any club member or guest who attends the workshop.

Club members and guests will also receive a reduced price for the workshop. For a 2-hr workshop, anyone who registers with the club will pay \$15. If your club does not fill the slots, I will open registration to others for \$20 about two to four weeks before the event. So, no matter what size club you have, I can do a workshop tailored to your needs. There will be no expenses for my travel or lodging, and you will give your members an opportunity for a good, professional workshop in the comfort of their own homes or in a gathering place of your choosing. I would love to talk with you about coming in person sometime, but I'd like to spend time with you online anytime.

To set up an online workshop or to find out more information, contact me at [dulciman@bellsouth.net](mailto:dulciman@bellsouth.net) or give me a call at 704-472-9791. At that time, I can give you a long list of possible workshops or talk with you about developing a new one for your club. I can also give you more details about what you can expect from me and vice-versa.
