O, the girls they do grow tall in Kansas, (2x)
The girls they do grow tall and
the boys they love them all
And they marry'em in the fall in Kansas

The potatoes they grow small in Kansas (2x)
The potatoes they grow small and
they eat them in the fall,
And they eat them tops and all in Kansas.

O they chew tobacco thin in Kansas (2x)
O they chew tobacco thin and
dribbles on their chin
And they lick it back again in Kansas.
